

A message from the Editor-In-Chief...

### *Mairi Carver*

Welcome to our first edition of the LMST School newspaper! My name is Mairi and I am the editor-in-chief for this publication. This newspaper talks about all the great activities and fun things we do in our school and in our school neighbourhood.

The leaders of this school (gr. 6s) have worked very hard typing and putting together this newspaper. There are comics and math word problems and interviews with our teachers and other fun activities. I hope you like this edition of the LMSTS NEWSPAPER. Feel free to read as much as you want and have fun doing the activities!

*If you have any ideas or work you would like to submit to the next publication please*

## Amethyst Dance

By: Caroline

We love to dance and here are some types that we do. One type is Step Dancing. I do step dancing in Amethyst Scottish Dancers of NS. We practice at Joseph Wallin School of Dance in Dartmouth. In Amethyst there are 3 parts: Highland, Jr. Highland, and step. There are only 3 other step dancers. Alison Baker is the Highland and Jr. Highland instructor and Cindy Penny is the Step Instructor. We do a bunch of shows! Sunday, November 27<sup>th</sup> was my first show. We also dance in the BATD and other places. Every two years we go on a big trip. This year it was Bermuda, four years ago it was Dubai.

GOTCHA #2! By

*Candice and Annika*

*Good job Ms. Surette's class!  
They respect the P.E.BS goal,  
keeping your belongings neat!  
For the month of December,  
keep your coats on the hook  
and your shoes in a line under  
your coats or up on a shelf. If  
you have an instrument don't  
put it in the middle of the hall,  
keep it to the side so it doesn't  
get in the way. You wouldn't  
want it to get broken!*

GOTHCA #1!

By Candice and Annika

Look at this class!  
They're doing a great job  
respecting the goal for  
the Month of October and  
November P.E.BS by  
Respecting each other's  
learning, being quiet and  
keeping their hands to  
their selves. Something  
we should always do. : )

Can you guess what class  
this is?

It can be a 100 IM, 200 IM, 400 IM. There is also a relay.

## Jazz Dancing

**By: Maya Iatrou**

Another type of dance is jazz dancing. I dance at Kings College every Tuesday for 1 hour. We perform all around Halifax. On Tuesdays I also tap dance at Kings College with the same instructor. I dance for half an hour right after I do Jazz. I love the sound that the tap shoes make when I dance with them on. I love to dance!! That is why we love to dance!
