

LMST Newsletter Summary

October 2015

The month of September was busy indeed. The student photos were taken and orders sent home. Our students in grades 3 (English only), grade 4 and grade 6 wrote the Provincial Literacy and/or Math Assessments. The results will be sent home to each parent once we receive them ourselves later in the fall. Our students historically succeed very well in these assessment and we look forward to seeing the same success this year.

The students are looking forward to the Walk-a-Thon on Friday. We are hoping for a sunny mild day. Please join us if you are free and want to walk with your child as this is an enjoyable activity, especially in nice weather. We will be picking up donated food from homes in the area to donate and a donation will be made from the proceeds to a charity decided upon by my grade 6 We Act members. Thank you for your continued support of the activities and events taking place here at LMST. It is greatly appreciated.
